Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit Verizon.com for more information on our services and companies.

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9956 or online at vzw.com/myprivacy.

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. Your choice will remain valid until you notify us that you wish to change your selection. Your decision about use of your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to residents of the state of Arizona.

Explanation of Surcharges

Verizon wireless surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative and Telco Recovery Charge, which helps defray and recover certain direct and indirect costs we or our agents incur, including:

- (a) costs of complying with regulatory and industry obligations and programs, such as E911, wireless local number portability and wireless tower mandate costs;
- (b) property taxes; and
- (c) costs associated with our network, including facilities (e.g. leases), operations, maintenance and protection, and costs paid to other companies for network services.

Please note that these are Verizon wireless charges, not taxes or government imposed fees. These charges, and what's included, are subject to change from time to time.

Subject to Cancellation

Our records indicate your account is past due. Please send payment now to avoid service disruption. If you have already made your payment please disregard this message and thank you.

Service Plan Features & Services

If your service plan has optional features or services that are included as part of your monthly subscription, electing to activate these subscriptions may affect your surcharges, taxes and governmental fees, even though your plan monthly service price does not change. Examples of these features are Apple Music or the Disney bundle.

Attention Georgia Customers

Georgia State and Local Sales Taxes are charged only on the monthly access fee and all vertical services for Special Features, including, but not limited to, Call Waiting, Call Forwarding, and Three-Way Calling. If you have a service plan which includes airtime with the monthly access fee, the amount of access subject to Georgia taxes is the lesser of the access charge or \$20.

Taxes and Other Governmental Charges

We are required by law to collect these charges, which are based on your service address. You can update your service address on go.vzw.com/changeaddress.

More On Wireless Taxes And Surcharges

Your total charges for this month's bill cycle are \$517.27.

This includes charges for one or more bundled Verizon service plans that include voice, messaging, data, or other services for which you pay a monthly plan charge.

This bill cycle, your fixed monthly plan charges were \$160.00 (before applying any discounts or credits, and excluding other charges such as overage, late payment, taxes, Verizon surcharges, and equipment).

To accurately bill taxes and Verizon surcharges, we regularly look at past network usage by you and other customers with similar plans to allocate this fixed monthly plan charge among the services included in the bundle.

In this bill cycle, we have allocated this amount as follows: \$8.56 for voice, \$1.76 for messaging, \$149.68 for data, and \$0.00 for other services.

For more information, please go to vzw.com/taxesandsurcharges.

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.
